RE: "THE RHYTHM OF LIFE"

Dear Mr. Alphonsus,

It was a great pleasure meeting you last December and a belatedly Happy New Year. As discussed at the time, we would very much like to film some beautiful guitar music on the roof of the Art College which is visually stunning. This is a formal request for permission to film six guitarists on the roof on Monday 24th March, if convenient, for inclusion in our documentary for BBC Television and The Discovery Channel about the role of music in our lives and its power as a form of communication. It would make us extremely happy to know that you agree to this request and we would be able to pay a small location fee to the Parque Laje for the privilege of filming in such a wonderful location.

We very much look forward to hearing from you.

Kind regards,

Yours sincerely,

ALAN BENSON
